Message from Master of the House James Lay

As many of you are aware, prior to the Lamb and Flag opening last year Donna and I spent 12 years at sea working as Cruise Directors for Princess Cruises. As part of our role we taught ballroom all over the world. It has always been our goal to develop a Ballroom Dancing program here at the Lamb and Flag. After a successful launch in January this year, we are now thrilled to announce that we are going offer ballroom classes every Thursday from now on.

When was the last time, you did something for the first time?
